Cold Seal Pill Cards

All Cold Seal Pill Cards are produced in a 1-piece design with the Blister pre-attached to the Pill Card for convenience. The use of a Sealing Tray and Roller is required to help ensure a proper seal.

COUNTDOWN PILL CARD - 31 CT

This format offers a Count Down layout (#31 to #1), plus a 5-Day Reorder section. Choose from 3 Blister depths to help maximize capacity in the Medication Carts; Medium (1/4"), Large (3/8") or XL (1/2"). An Oversized Blister (2/3") is available via Special Order. An Amber Blister is available in XL to help reduce light transmission.

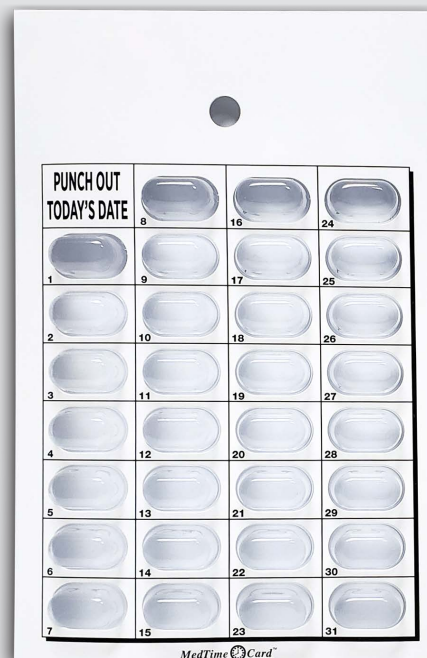

CALENDAR BASED PILL CARD - MED-TIME

Med-Time Pill Card uses a Calendar based numbering system with "Punch Out Today's Date" instructions to help improve adherence and confirm the meds were dispensed on a given day. Add color coded Time Pass Label to the upper left corner; i.e. Morning, Noon, Evening or Bedtime.
